

# How do I view my responses and update My review?

wards maturity my benchmark

Search More >>

**My review** My personalised report My action plan My group

**My review** Further info

My Review is step 1 of the benchmark process. It helps you compare your learning technology implementation practices with others so that you can continually improve your results. This benchmark allows you to focus on the **specific areas** that you want to work on.

We encourage you to review all of the sections below so that we can provide you with the most relevant feedback for your organisation, although where you start is up to you!

**Note:** Please ensure that [your profile](#) is complete and up to date

So, what do you want to do?

Area	Progress
Accelerate performance	69% Complete
Improve skills	65% Complete
Deliver benefits	81% Complete
Leverage technologies	60% Complete
Make an impact	94% Complete
Overcome barriers	87% Complete

You can review your responses at anytime by clicking on **My benchmark** then **My review**.

All the questions have been broken down into the six areas of the Towards Maturity model illustrated by either a red or blue box. Click on the **Further info** tab for more information on the area.

The percentages beside each box, shows how much of that section you have completed.

# How do I view my responses and update My review?

**My review** | **My personalised report** | **My action plan** | **My group**

**My review** > Improve skills

Which of the following training programmes have employees in your organisation undertaken in the last 12 months? Please leave the row blank if your organisation does not offer these programmes.
