

Why should I upgrade to Premium after my 30 day trial?

Being a Premium user of this innovative Benchmark Centre provides you will a number of unique benefits:

- A detailed report providing you with feedback against 19 different areas, this report is colour coded to highlight areas of strength and weakness.
- Tailored recommended actions to improve each of these 19 areas
- A clever Action Planner tool that helps copy each recommended action into a plan to later review, add, edit and print off.
- Free access to case studies, videos, hints and tips and how to guides to support each recommended action.
- The ability to redo the benchmark survey up to 6 times a year and compare how your results and TMI has improve.
